EDITORIAL

Stuff combines premium design with dazzling photography and editorial insight to reach over a million readers each month. The Middle East edition is the first place potential buyers in the region look for gadgets, gear and technology.

Our respected features and in-depth reviews inform the purchase decision of seven out of 10 readers, while over 90 per cent claims the magazine steers their opinion on brands. That's because only *Stuff* carries expert tests, trusted opinion and the region's best buyer's guide: the Top 10 of Everything.

Loyal readers return to *Stuff* for regular product exclusives, up-to-date listings and engaging, independent features. *Stuff* readers pick up the magazine frequently, are heavily involved in each issue and 80 per cent pass it on to others (half our copies are read by three or more people).
